

# COMMERCIAL UAV EXPO

AMERICAS | LAS VEGAS  
OCT. 28-30, 2019

## 100+ Presenters and Panelists on Roster for Commercial UAV Expo Americas October 28-30, 2019 in Las Vegas

*Industry leaders will provide insights into key issues related to commercial drones*

Las Vegas, NV – September 12, 2019 – More than 100 thought leaders in the commercial UAS industry will present at the 5<sup>th</sup> annual [Commercial UAV Expo Americas](#) taking place October 28-30, 2019 at the Westgate Resort & Casino in Las Vegas. Commercial UAV Expo Americas is the leading event for professionals integrating and operating UAS in key vertical markets. Event organizers anticipate more than 185 exhibitors and over 2,500 attendees.

Attendees will hear from commercial drone visionaries at Airbus, FAA, FLIR, Facebook, Wing, and more. Among the dozens of new speakers confirmed for Commercial UAV Expo Americas 2019 are Seleta Reynolds (Los Angeles DoT), Suzanne Van Cooten (National Weather Service), Jarrett Larrow (FAA), Todd Graetz (BNSF Railway), and Sarah Kohlsmith (SunCor Energy). Speakers will discuss pressing issues in the commercial drone sphere, including UAM, UTM, Expanded Operations, Security, Remote ID and AI and provide critical insights into best practices and new developments in eight vertical industries.

In addition to presentations and panel discussions in the [main Conference Program](#) and [Exhibit Hall Theater](#), can't miss highlights of the Expo also include a gathering of public safety leaders for the [DRONERESPONDERS Public Safety Summit](#); an [outdoor drone demonstration](#), and Exhibitor [Product Preview Presentations](#) showcasing the hottest new companies and products; along with [numerous vendor and association workshops](#).
